IN MEMORY OF DAVID HELM
(Yes, We Remember You)

Dear David:

Yes, we remember you, how could we ever forget
The voices of boys chattering away, they linger with me yet
Your Mother and I, we kept vigil
By the stream where you learned to swim
We saw your first stroke, then two, then four.
Now, it seems a dream.
But a lovely dream we will never forget
As, off to the woods, you would go
Hunting and fishing when the weather
Was warm, tracking when we had snow.
You and your buddies, were so happy then
We mothers, were happy, I know
We knew one day, Uncle Sam would call,
And you would surely go.
You see we knew, you were brave and true
And would fight, for our country and home
Everyone loved and trusted you
No matter where you did roam.
David, we know the Lord saw fit
To take you from our midst.
If God gives medals for goodness
We know you're at the top of His list.
Tho we may listen for your footsteps
Long to hear your voice again
We know all your sorrows and loneliness have passed
And you are at rest, with Him.
We know one day, we shall meet you again
Say thanks, and touch your hand.
Thank you, David, and all of the boys
Who have died to save our land
Because of boys like you, David
Old Glory, will forever wave.
Over our land, called America
The land of the free and brave.

A MESSAGE FROM THE SUPERINTENDENT

Education and democracy go hand in hand, and if we should lose one, the loss of the other would be inevitable.

It is gratifying to observe and assist the many students who are pursuing their education in the Kennedale Public Schools in order to prepare themselves for democratic participation and leadership in this free society of America.

May all of us be ever mindful of the fact that our democratic way of life was not won once and for all time but requires constant day-to-day vigilance and efforts to maintain it. Education is one of the most effective guarantees that this great country of ours will continue to be the best nation on the face of the earth.
